PLEASE DESIGNATE HOW TO APPLY YOUR OPTIONAL DONATION:

- \$ _____ **Lake Host Program/Water Quality:** The Lake Host Program pays for staff to inspect boats as they enter the lake. This donation also supports the analysis of all aspects of water quality, including frequent water sampling and testing by the lab at the University of New Hampshire, and support of Acton Wakefield Watersheds Alliance (AWWA).
- \$ _____ **General Fund:** These donations support general administrative expenses, boat parade, and special projects (EX: the 2022 Watershed Survey). A very important additional use of these funds is the maintenance of an invasive species reserve to be used to combat and treat any potential outbreak of milfoil or any other invasive species.
- \$ _____ **Scholarship Fund:** Our goal is to provide one high school senior one \$1,000 scholarship per year. However, if there are sufficient funds and there are additional viable candidates more than one scholarship may be awarded. This fund is the sole source of the scholarship.
- \$ _____ **Friend/ In Memory Of:** Donate in memory of a loved one or to honor a special person or business. These donations go to the General Fund.
